MASTERPIECE - A COLORFUL, ACADEMIC, EXPERIENCE!

## SUMMER CAMP 2024

How CAN YOU USE ART TO ADD BEAUTY TO THE WORLD?

This summer will be filled with a bounty of color, sounds, fun, movement, and design through the **ARTS**! Campers will study various artists around the globe as they create works of art with visual art, theater, music, coding and engineering. Our summer includes field experiences to observe other works of art from painting to dancing to storytelling! The summer culminates with our campers presenting works created to the community!
